National Honor Society (NHS)

Established in 1921, NHS is a recognition program for American high school students who show achievement in scholarship, leadership, service, and character. We are a organization that serves the community in many different ways. We stress volunteerism in our local and global community. Membership in the NHS is an honor recognized throughout the nation. It is both the public recognition of accomplishment and the private commitment to continued excellence on the part of our members. Membership in this organization is a feather in your cap and makes you a competitive contender on scholarship and college applications.
